INTRODUCTION TO BADGER BOOKS

Badger Books are electronic pollbooks that will be used in the Town of Stella starting in February 2024.

What they are:

- They are pollbooks. Election Inspectors use them to check in voters and produce a voter number on a slip of paper for each voter.
- They are used by Election Inspectors to register voters, and to process absentee ballots.
- Voters will still need to check-in by providing their name, address and photo id. Election Inspectors will look up the voter record on the Badger Books and voters will sign their names on an electronic screen instead of a paper pollbook.

What they are not:

- They are not voting machines – voting will continue to be done on paper ballots and inserted into the tabulator.
- They are not tabulators – they don't count votes.
- They are not connected to the Internet or any other outside source.
